

Special Offer

Refurbished Grooving Tools

(e.g., 1.2080 or 1.2436) Usually fit quality J9 / JS9 / P9

All used tools are sharpened and in good condition

These are alloy steel broaching tools with high wear resistance.
The broaches are conditionally suitable for higher strength and high-alloy materials.

Reconditioned broaches are suitable for occasional use in the
in the two-digit piece count range. Delivery time at short notice from stock.
